Besides, will be promptly attended to, on the most reasonable the rise has occurred only within a few weeks-terms. not long chough to affect the prices of manufic-

Meantime, woollen goods have risen just as much as cotton. We suppose the increased price | Feb. 29, 1814. |

P. S. As I have made invarrangements to leave Cadiz, in the Spring, all those who want any thing in my line of business will do well to call soon.

Feb. 29, 1814. of raw cotton is a reason for raising the price of

It will be remembered that the State Convention on the 10th of January, tendered this nomination to Ex-Gov. Corwin, as the first choice of the whigs of Ohio. He refused to be a candidate.—David Spangler was then put in nomination as a second choice. He very properly declination as a second choice. He very properly declinated by a second choice, stands forth the present nominee. And who is Mordecai Bartley? He was once a silent member of Congress, but his votes always being found with the Federalists be was dropped by his constituents, and has not been more than the property of the present of the pre mentioned in public print for the last twelve or fourteen years. He cannot poll a party vote in

beginning with the president, and making every individual stir the same with a stick, take the quantity upon his fore finger, and lick it off, with out letting any of it drop, or without smearing his face. The dexterity with which this operation was performed constituted the test of a true blue Yankee. None were permitted to avoid the ordeal, and the awkward attempts that were made elicited roars of laughter and shouls of delight from the company.

VERDANT VISITORS.

A couple of foreigners, who had never enjoyed the pleasure of a sleigh ride, decided to indulge in that amusement, while sojourning at the Tromont House, Boston, a while ago. A sleigh was ordered accordingly, and they were asked if they would have one or two bulliloes? "Why," said one of them vary innocently, "as we are not used to this sport, I think one bulliloe will be as much as we can manage unless they be very tame."

The Boston Post tells this story.

A couple of foreigners, who had never enjoyed the pleasure of a sleigh ride, decided to indulge in that amusement, while sojourning at the Tromont House, Boston, a while ago. A sleigh was ordered accordingly, and they were asked if they would have one or two bulliloes? "Why," said one of them vary innocently, "as we are not used to this sport, I think one bulliloe will be as much as we can manage unless they be very tame."

WANTED, five hundred Bushels of Clover Scell for which I will pay the highest market price if delivered soon.
